A. Briefly discuss why you are interested in this appointment:

I have an interest in the development of the town. I believe Prescott Valley is the jewel of Yavapai County. It is a great place to live and work. I am a diligent researcher that will track down information, in all cases to make the best informed decision. I would be honored to do the same for the council members.

B. Briefly describe your experience in general city or town planning, zoning and/or construction:

I have a background in large scale residential improvements. I understand the permitting process, its necessity and how the process shapes communities and ensures the safety of the citizenry. I have worked with several historical societies to preserve homes while modernizing them. Community revitalization is an important part of remaining viable.

C. Please list any additional information about your knowledge, skills or abilities which would assist the Town Council in the selection of members:

I am familiar with the 2025 plan. (I have a CD copy) I believe it is well thought out "smart growth" and has the best interest of the community at heart. I would enjoy the opportunity to be part of its early implementation. I have the ability to weigh multiple sides of an issue and gain consensus. I can present an unbiased "case" intelligently to move a group forward through agreed compromise.

A candidate for volunteer service must complete, sign and submit the standard Town Volunteer Application form prior to being considered. All prospective volunteers that are being considered for service shall submit to a criminal history background check and, if requested, a check of the applicant's driving record. The Town may, at its option, retain an outside vendor to conduct a background check of each applicant or require any or all applicants to submit a full set of fingerprints for the purpose of obtaining a state and federal criminal history of an applicant. Every offer extended to volunteers will be conditioned upon the successful completion of a background and/or fingerprint check.
