SUMMARY BACKGROUND: Town of Prescott Valley’s participation through the Central Yavapai Metropolitan Planning Organization (CYMPO) supports the planning for regional transportation in the quad-city area.

Currently, the ADOT FY14-FY18 5-Year Program includes the SR89 – JCT SR 89A to Deep Well Ranch Road Widening Project. This project would be a continuation of the SR 89 Chino Valley Limits to Deep Well Ranch Road. Elimination of this project could severely impact traffic operations and safe, efficient movement for citizens.

A Letter of Support from Town of Prescott Valley Council to ADOT and the State Transportation Board would help emphasize the importance of ADOT to continue efforts toward construction of this project.

- 2.) Not approve the Letter of Support, **AND/OR**
