**SUMMARY/BACKGROUND:** Although months away, the Town has been negotiating for the provision of a fireworks display for the upcoming 4th of July celebration. Early discussion is taking place due to the fact that it takes an extremely long time for these types of products to clear customs. The contracted price for the 2013 4th of July celebration is \$25,000. The pyrotechnic company with which the Town has been negotiating has provided the Town this service for a number of years. The contract is treated as professional services because the company designs the show, lights the fireworks, controls safety around the perimeter, and works with the Town and CYFD to ensure a safe event.

**OPTIONS ANALYSIS:** The Council could approve the contract or direct staff to pursue other options.
