RE: Request for a Water Advisory Committee plenary session (retreat)

Dear Committee Members,

At the joint meeting of the Town of Prescott Valley and City of Prescott Councils on December 19th, 2012, the following motion was approved:

MOVE that the Town of Prescott Valley, by letter from the Mayor to the Yavapai County Water Advisory Committee, request that the WAC hold a plenary session (retreat) with its Technical Advisory Committee not later than February 2013 to review its mission, structure, governance, operation, projects, initiatives and funding in light of past accomplishments and regional effectiveness and the recent increase in the Yavapai County Board of Supervisors to five members, in order to assist participating local governments in assessing continuation under the intergovernmental agreement of September 16, 2000.

This letter is to formally convey the request of the Town of Prescott Valley Council that the session be convened for the purposes indicated.

Sincerely,

Harvey Skoog,
Mayor
