# Memo

**To:** Mr. George Burnett, President  
Northcentral University

**From** Larry Tarkowski, Town Manager

**Re:** Annual Project Prioritization

**Date:** April 15, 2013

---

The valuable partnership between the Town of Prescott Valley and North Central University has resulted in annual disbursements of funds that have benefited the citizens of our community.

Town Council and Staff suggest the strongest of consideration to the following disbursement formula:

- \$15,000 Prescott Valley Healing Field: Completion of project to bring flag count to 3000. The community has raised over \$30,000.
- \$25,000 Not so Gentle Tamer Statue: Over \$45,000 has been raised with the Town contributing the base and landscaping for this project honoring pioneer woman in our centennial year. The \$25,000 will complete the project.
- \$10,000 Tree Planting: The Town is in the process of using development impact fee dollars to build a cover over an expanded stage on our municipal campus that will enhance our entertainment opportunities. A need long identified but unmet is robust tree planting for shade and esthetics. The \$10,000 will meet this goal.
