SUMMARY/BACKGROUND: The Partners against Narcotics Trafficking (PANT) Task Force is a multi-agency unit dedicated to the enforcement of narcotics laws and the suppression of criminal gang activities, with particular attention to street, prison and biker gangs. Through interagency cooperation, the PANT Task Force is able to focus on identifying targets and initiating investigations on individuals and/or gangs involved in the cultivation, manufacturing, sale or distribution of narcotics or dangerous drugs in Yavapai County. The task force also provides support services and resources to other Yavapai County agencies that become involved in narcotic investigations. Additionally, PANT solicits community involvement and education through public speaking engagements with various civic organizations and the Yavapai County school districts. It is through this partnership among agencies and communities that the PANT Task Force has attained continued successful interdiction, apprehension and prosecution of subjects involved in the illicit drug trade in Yavapai County.

Each participating agency provides staff and resources for operation of the PANT Task Force. In addition, each year the task force submits application to the Arizona Criminal Justice Commission (ACJC) to receive funding assistance for personnel and other operating expenses. Administration of grant funding received is determined by the PANT Task Force Committee. In early 2010, it was decided that Prescott Valley would administer the terms of the current and future ACJC grant awards.

On June 26, 2014 the department received notice from ACJC of a FY 2014 Award in the amount of \$409,884.00 under the Drug, Gang and Violent Crime Control Grant Program. Funds will be utilized for personnel expenses (salaries, fringe benefits and overtime) for the following task force positions:
