**SUMMARY/BACKGROUND:** The Town of Prescott Valley intends to apply for up to \$300,000 in State Special Project Community Development Block Grant (CDBG) funds which are awarded on a statewide competitive basis.

Projects must meet one of the following criteria to be considered eligible for this funding: 1) at least 51% of the persons who benefit from the project must be low to moderate income; 2) the project must aid in the prevention or elimination of slums or blight; or 3) the project must solve an urgent health hazard need.

On July 25<sup>th</sup>, 2013, a public hearing was conducted to solicit input from the public regarding potential projects. During this public hearing the Town proposed one project for sidewalk, street, & drainage improvements to Loos Drive fronting Mountain View Elementary School. Two other projects were proposed by members of the community.

At the Town Council meeting on August 1, 2013, the Town Council prioritized those projects and directed staff to move forward with an application for sidewalk, drainage, and street improvements on Loos Drive by Mountain View Elementary School.

This is the 2<sup>nd</sup> public hearing as required per the public participation requirements of the grant.
