A. Briefly describe your interests in the following areas:

1. What are your reading interests?

I read all genres except extreme horror.

2. Do you have a library background?

No, except I am a reviewer for Amazon Vine and I do book reviews for private individuals when asked. I charge nothing except they have to supply the book, which often is a Kindle book.

3. What do you see as long range improvements on the library?

Patrons compliment us on our friendliness, comparing us to Prescott, but there needs to be some firm rules for the teenagers as they are rather out of control and affect the lunch counter trade as adults shy away from them. In Prescott I noticed they each bought something at the lunch counter and then joined together at a round table. They talked noisily but stayed at the table, where I have seen teenagers here dance and sing. Otherwise I think we have a great library and am impressed with the ability to order almost any book as it is usually somewhere in the Yavapai county circuit.

B. Briefly discuss why you are interested in membership on the Library Board of Trustees.

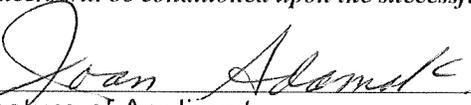

I was asked to consider it and I have the time and energy to commit to it. I have been on a few boards like church, etc.

C. Please list any additional information about your knowledge, skills or abilities that would assist the Town Council in selection of members.

I was a legal secretary/paralegal for thirty-five years. For twenty-five years I worked for an attorney who was also prosecuting attorney. My husband was county commissioner for twelve years. I worked in a bank for eight years. I have worked as a paralegal in Seattle and Washington D.C.

You already have two apps on file from me as a volunteer and a background check was done when I applied to the library about four years ago.

A candidate for volunteer service must complete, sign and submit the standard Town Volunteer Application form prior to being considered. All prospective volunteers that are being considered for service shall submit to a criminal history background check and, if requested, a check of the applicant's driving record. The Town may, at its option, retain an outside vendor to conduct a background check of each applicant or require any or all applicants to submit a full set of fingerprints for the purpose of obtaining a state and federal criminal history of an applicant. Every offer extended to volunteers will be conditioned upon the successful completion of a background and/or fingerprint check.
