Town of Prescott Valley
7501 E. Civic Circle
Prescott Valley, Arizona, 86314

Dear Mr. Mark Kieren:

Thank you for your interest in Fluid Conservation Systems' (FCS) leakage control products.

The purpose of this letter serves to confirm that the _AMI Permaloggers, Archer PDA/Patroller II, Xmic, Tri-Corr Touch correlator, are manufactured by Fluid Conservation Systems Inc., and is only available for purchase directly from FCS and their distributors. Product is not available through non-FCS distributors or manufacturer's reps.

Utiliuse inc. is the Sole Source for the sale, service, and technical support of these products in the state of Arizona. FCS does not authorize these activities to any outside source.

The sole source certification for these products is valid for a minimum of 365 days from the date of this correspondence.

All warranty work is scheduled and conducted at our service facility in Milford, OH.

Any questions regarding the sale or repair of these products can be directed to our headquarters office in Milford, Ohio at 800-531-5465.

Sincerely,

A handwritten signature in black ink that reads 'Rob Fish'.

Rob Fish
President
