**ATTACHMENTS:** a). Resident Open House Announcement

**SUMMARY BACKGROUND:** The Town has been participating with Arizona Department of Transportation (ADOT) in the plan development process for the PV Pipeline Multi-use Path and Central Core - Phase 3 Multi-use path projects. Town was successful in obtaining Federal Transportation Enhancement dollars in four grant funding cycles for these projects which will be built as one contiguous project. The 2006 Pedestrian/Bicycle Master Plan is the baseline to scope completion for these projects which continues to build the connectivity of multi-use path network throughout the Town. The Town of Prescott Valley Parks & Recreation Commission discussed these projects at their October 15<sup>th</sup> regular meeting and recommended the project be presented to Town Council for public comment.

Project design is at the 60% completion stage and ready for resident comment. A Resident Open House information meeting will be conducted on Wednesday, January 29<sup>th</sup>, to inform residents of project scope and gain comments for incorporation into the final construction plans.
