

**TOWN OF PRESCOTT VALLEY
REQUEST FOR COUNCIL ACTION
Date: March 13, 2014**

SUBJECT: Award for Installation of Hot Melt Crack Seal Materials

SUBMITTING DEPARTMENT: Public Works

PREPARED BY: Ken Stanton, Public Works Operations Manager for
Norm Davis, PE, Public Works Director

AGENDA LOCATION: Comments/Communications , Consent , Work/Study ,
New Business , Public Hearing , Second Reading

ATTACHMENTS: a.) Contract

SUMMARY BACKGROUND: The tentative budget for Fiscal Year 2013/2014 includes funding for performing a Spring Crack Seal Maintenance program. The Public Works Department has used this maintenance procedure annually for many years and, due to the increasing amount of engineered pavements and the age of these roadways, increased the amount of work to more adequately address maintenance needs.

This Program consists of pumping an asphalt rubber material that has been heated to 350 degrees into roadway cracks to seal them from water intrusion and prevent further break down. Water intrusion tends to wash out the base materials that the asphalt roadway is built on and leads to failures such as alligator cracking and potholes as well as sink holes in the asphalt itself. This is the Public Works Department's first level maintenance program and is usually performed after the roadway has been in place 7 to 10 years.

The Public Works Department prepared specifications and secured bid proposals for this project with the following results:

Rank	Bidder	Base Bid
Low	Graham Contractors, Inc.	\$39,250.00
2nd	Turco	\$39,950.00
3rd	Cholla Pavement Maintenance, Inc.	\$44,000.00
4th	D & O Contractors, Inc.	\$50,000.00
5th	Sunland, Inc. Asphalt & Sealcoating	\$59,297.00
6th	Regional Pavement Maintenance	\$159,943.29

This award is for the installation only of the materials. Council awarded a purchase order for the acquisition of the materials in a previous action on February 27, 2014.

This work will be scheduled to proceed after March 31, 2014 with all work completed by May 30, 2014.

Graham Contractors, Inc. was the apparent low bidder on this program.

Notification to the public will be posted through press releases to the local paper and on the Town's website. Affected businesses are to be notified in person prior to the crack seal.

This Crack Seal Maintenance program addresses the current year's goal for maintaining minimum critical core tasks for safe Town function & infrastructure.

OPTIONS ANALYSIS: The Council may choose to:

- a.) Award the Contract for the installation of Crack Seal materials to Graham Contractors, Inc., for the unit price bid in the amount of \$39,250.00, **OR**
- b.) Do not award the contract

ACTION OPTION: Motion to award the contract for the installation of Hot Melt Crack Seal for the Fiscal Year 2013/2014 to Graham Contractors, Inc. for the contract amount of \$39,250.00, **OR** Motion to reject this contract. **VOTE.**

RECOMMENDATION: Staff recommends awarding the Contract for the installation of Hot Melt Crack Seal Materials to the low bidder, Graham Contractor Inc., in the amount of \$39,250.00.

FISCAL ANALYSIS:

Table 2

2013/2014 Crack Seal Maintenance Program
