RE: Utility Easement Abandonment  
Viewpoint/Long Look Intersection Improvements – S168.1

Dear Mr. Schleicher:

Recently you requested Arizona Public Service Company to abandon interest in the six foot wide public utility easement that is parallel with and adjoins the North line of Lots 8972 and 8973; and the six foot wide public utility easement that is parallel with and adjoins South line of Lot 8974, as shown on the plat of Prescott Valley Unit 19, recorded in Book 15 of Maps and Plats, Pages 45-48, on file in Yavapai County Recorder's Office.

Upon review of this request, Arizona Public Service has no facilities or lines within the easement area and approves of the abandonment of the noted public utility easement.

If you have any questions, feel free to call me at (928) 776-3664.

Sincerely,
