**SUBMITTING DEPARTMENT:** Public Works

**PREPARED BY:** Norm Davis, P.E., Public Works Director

**AGENDA LOCATION:** Comments/Communications , Consent , Work/Study ,

New Business , Public Hearing , Second Reading

---

**ATTACHMENTS:** None

---

**SUMMARY BACKGROUND:** The Town of Prescott Valley successfully partnered with the Arizona Department of Transportation (ADOT) and Central Yavapai Metropolitan Planning Organization (CYMPO) to complete Phase I of street sign replacements funded through the Federally funded Highway Safety Improvement Program (HSIP). Phase I was completed this past Fall '14 and had 1678 sign replacements in Prescott Valley to include stop, yield and speed limit signs.

The HSIP program is a yearly, Federally funded program through CYMPO and ADOT has received Contractor bids for a Phase II program for continued street sign replacements throughout Prescott Valley. ADOT received bids on October 24, 2014 for an aggregate contract amount of \$818,576.92 from Sunline Contracting of Phoenix. Town of Prescott Valley's portion of the contract has an approximate value of \$400,000 for 1689 sign replacements to include regulatory signs for curves, chevrons, lane merge symbols, etc. In addition, approximately 338 street name signs will be replaced on major arterial roadways in Prescott Valley. There will be no direct funding impact to the Town's capital budget.

ADOT will administer the Phase II sign replacement project similar to Phase I. The contractor is anticipated to begin sign replacement work in March and the project will be complete in approximately 90 days.
