**RE: Application for Permanent Extension of Premises for Barefoot Bob's
Billiards**

Honorable Mayor and Town Council,

This correspondence is to ask for your formal approval of an application submitted to the State of Arizona Department of Liquor Licenses & Control requesting a Permanent Extension of Premises of our current liquor license (No. 06130055) into the adjacent suite and back patio area.

The Mayor and Town Council has previously approved temporary extensions of premises into these areas of the property for special events and, recently, for the purposes of holding a memorial celebration of Robert "Barefoot Bob" Soto, the founder of Barefoot Bob's Billiards on January 17th of this year, after his passing last December.

Along with the existing Billiards Hall & Bar, the business controls the adjacent commercial suite, which we use for storage, an office, and an occasional special event. We wish to expand the banquets and special events portion of the business by permitting this commercial suite for permanent use. As such, we hereby ask for the approval of the Town of Prescott Valley for the permanent extension of premises into the adjacent suite and back patio. We hope that this matter may be considered on an upcoming Town Council Agenda. We have also submitted the Application for Extension of Premises to the AZ State Department of Liquor Licenses & Control.

Thank you for your prompt action on this matter.

Respectfully,

Cheryl A. Soto
Owner, Barefoot Bob's Billiards
