REQUEST FOR COUNCIL ACTION  
Date: May 14, 2015**

**SUBJECT:** Purchase of 7 Cisco Catalyst Network Switches

**SUBMITTING DEPARTMENT:** Management Services, Information Technology Division

**PREPARED BY:** Casey Danner, Information Technology Manager

**AGENDA LOCATION:** Comments/Communications , Consent , Work/Study ,  
New Business , Public Hearing , Second Reading

---

**ATTACHMENTS:** Century Link Price Quote for 2960X Switches

---

**SUMMARY/BACKGROUND:** During budgeting for the current fiscal year, funds were approved for the replacement of Cisco network switches. The switches will replace similar models that are no longer able to have their warranties extended and are considered end-of-life. It will be easier to replace these all at once.

---

**OPTIONS ANALYSIS:** Council may approve the purchaser, or decline to authorize this purchase.

---

**ACTION OPTION:** Motion to approve the purchase of seven Cisco Catalyst switches from Information Technology's Capital account in the amount of approximately \$28,000.00. **VOTE.**

---

**RECOMMENDATION:** Staff recommends approval of the purchase of seven network switches for the amount of approximately \$28,000.00.

---

**FISCAL ANALYSIS:** There would be no lasting financial impact to existing budget. Information Technology would still have \$2,100 available in their Shop Supplies line item to use by yearend.
