SUBMITTING DEPARTMENT: Executive Management

PREPARED BY: Robert A. Casillas, Managing Director, Stifel, Nicolaus & Company, Incorporated
Larry Tarkowski, Town Manager

AGENDA LOCATION: Comments/Communications , Consent , Work/Study ,
New Business , Public Hearing , Second Reading

ATTACHMENTS: a) draft Resolution No. 1935, b) draft of Written Policies & Procedures for Tax-Advantaged Obligations, c) draft of Placement Agent Agreement, d) draft of First Trust Agreement, e) draft of Escrow Trust Agreement, and f) draft of First Purchase Agreement.

SUMMARY/BACKGROUND: Almost ten years ago, the Town Council supported a Library Master Plan which proposed a new building of approximately 52,000 square feet that included a Library, auditorium, classrooms, offices and related utilities, parking, concrete work, landscaping and other amenities, with a total cost estimated at between \$19 and \$22 million. On August 10, 2006, the Council approved a contract with Richard + Bauer, Architect to provide design and construction services for the new building. Under the contract, a design was developed and construction plans were completed based on this design.

On October 18, 2007, the Town Council discussed the options available for the Town to finance its share of the costs to construct the new Library/YC Classroom-Office Facility. Council adopted Resolution No. 1543 on November 29, 2007, which authorized moving forward with issuance of Certificates of Participation as discussed in that meeting.

Resolution No. 1543 also authorized the Town to enter into a lease arrangement for the current Police Department Facility which is part of the 20-acre Civic Center campus. Certificates of Participation were then issued with respect to the lease payments which the Town would make under that lease arrangement. The funds raised by the Certificates of Participation were then used for the Town's share of the construction costs.

Recently, due to market change and it becoming more favorable, staff enlisted the assistance of Bob Casillas, of Stifel, Nicholas & Company, to investigate the feasibility of refunding a portion of the Certificates of Participation and issuing Pledged Revenue Refunding Obligation Bonds. In the analysis provided by Stifel, it was anticipated a possible savings could occur of \$624,000 (7.6% par value refunded) based on interest rates provided on September 23, 2015. This procedure is similar to what was done in 2013 with the StoneRidge and Pronghorn Ranch Community Facilities Districts.

OPTIONS ANALYSIS: None; for discussion only.

ACTION OPTION: None; for discussion only.

RECOMMENDATION: None; for discussion only.

FISCAL ANALYSIS: An estimated possible savings of \$624,000 has been projected by Mr. Casillas if staff pursues refunding a portion of the Certificates of Participation and issuing Pledged Revenue Refunding Obligation Bonds.
