BLANKET ADDITIONAL INSURED ENDORSEMENT

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

With respect to this endorsement, **SECTION II - WHO IS AN INSURED** is amended to include as an additional insured any person or organization whom you are required to add as an additional insured on this policy under a written contract, written agreement or written permit which must be:

- a. Currently in effect or becoming effective during the term of the policy; and
- b. Executed prior to the "bodily injury," "property damage," or "personal and advertising injury."

The insurance provided to these additional insureds is limited as follows:

1. That person or organization is an additional insured only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" caused, in whole or in part, by:
 - a. Your acts or omissions; or
 - b. The acts or omissions of those acting on your behalf.

A person's or organization's status as an additional insured under this endorsement ends when your operations for that additional insured are completed.

2. With respect to the insurance afforded to these additional insureds, the following exclusions are added to item 2. **Exclusions of SECTION I - COVERAGES:**

This insurance does not apply to "bodily injury," "property damage" or "personal and advertising injury" occurring after:

- a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
 - b. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.
3. The limits of insurance applicable to the additional insured are those specified in the written contract, written agreement or written permit or in the Declarations for this policy, whichever is less. These limits of insurance are inclusive of, and not in addition to, the Limits of Insurance shown in the Declarations for this policy.
 4. Coverage is not provided for "bodily injury," "property damage," or "personal and advertising injury" arising out of the sole negligence of the additional insured.
 5. The insurance provided to the additional insured does not apply to "bodily injury," "property damage," or "personal and advertising injury" arising out of an architect's, engineer's or surveyor's rendering of or failure to render any professional services including:

Why We Are Using the Latest ACORD 25 Certificate of Insurance

In September 2009, ACORD revised the ACORD 25 Certificate of Insurance form. One of the major changes was the removal of the cancellation notice provision. For the following reasons, we are unable to issue an older edition of this form, modify the current form, or complete a proprietary form you provide:

- Notice of cancellation is a policy right, not an unregulated service. No insurer shown on this certificate is able to provide the cancellation notice you desire by endorsement. For example, the *insured* can cancel immediately, so it would be impossible for the insurer to give you the notice you request. State law also grants the insurer the right to cancel for reasons such as nonpayment with less notice than you require.
- For the reason just cited, if our agency was to issue a certificate that provides the cancellation notice you request, we would do so with the full knowledge that it would be impossible to actually give that amount of notice under certain circumstances. As such, the certificate could be alleged to constitute a misrepresentation or fraud which could subject our agency and staff to serious civil and criminal penalties.
- If a certificate purports to provide a policy right different from that provided by the policy itself, then the certificate effectively purports to be a policy form. Policy forms must be filed and approved by our state department of insurance. Use of nonfiled policy forms is illegal and could result in legal sanctions distinct from the assertion that the certificate is fraudulent.
- Under the ACORD Corporation's licensing agreement, the prior editions of superseded forms can be used for one year from the time the new forms are introduced. Beginning in September 2010, this is another reason we cannot use an older edition of the ACORD 25. Doing so would violate ACORD's licensing agreement and, as a copyrighted document, federal copyright law.
- Likewise, we are unable to modify the new certificate to add a notice of cancellation. ACORD forms are designed to be completed, not altered. ACORD's Forms Instruction Guide says that a certificate should not be used "To waive rights...To quote wording from a contract...To quote any wording which amends a policy unless the policy itself has been amended." In addition, our insurance company contracts only allow us to issue unaltered ACORD forms.
- We are often asked to issue proprietary certificates provided by the certificate requestor. Again, our insurance company contracts only allow us to issue unaltered ACORD forms. Many proprietary certificates include broad, vague or ambiguous language that may or may not be in compliance with state laws, regulations, and insurance department directives. Therefore, we cannot issue any proprietary certificates that have not been reviewed by our state insurance department.
