RE: TOWN OF PRESCOTT VALLEY  
TOWN ENGINEER SERVICES PROPOSAL

Dear Mayor & Town Council:

DAVA & ASSOCIATES, INC. has provided the Town of Prescott Valley with Town Engineer/Planning Services since 1988. We believe our high quality professional services have been beneficial to the Town and that we remain responsive to your needs. We provide flexibility and superior professional service in the Town's efforts to implement important projects for its citizens.

We look forward to continuing our long-lasting relationship and propose that our contract for engineering, surveying, and planning services be renewed for an additional two years. To provide additional value to the Town, we continue to offer our services at our preferred-client rates, which are a 25% reduction from our regular rates. Our proposal maintains our practice of billing the first ten (10) hours per month of Principal Engineer services at the discounted rate of \$60.00 per hour.

We are honored by the trust that Town Council has placed in Dava & Associates over the years and feel privileged to be part of the Town's vision. If you have any questions or wish to discuss any part of this proposal, please contact us at your convenience. Thank you.

Sincerely,

DAVA & ASSOCIATES, INC.

Gordon Bowers, P.E.  
Civil Engineer

Encl.
