SUMMARY/BACKGROUND: The Arizona Community Foundation of Yavapai County (ACF) supports a Law Enforcement Canine Fund. The scope of this fund is to exclusively benefit law enforcement organizations in Yavapai County that utilize canines for law enforcement purposes, including but not limited to, patrol tracking, locating illegal drugs, search and rescue, and locating cadavers. Each year, ACF solicits requests for proposals to fund local canine programs. Funds are intended to support the acquisition, implementation and maintenance of canines; collaborative training and educational opportunities; and initial or specialty training for the canines and/or their handlers.

In March, the Prescott Valley Police Department (PVPD) submitted a grant proposal to support the enhancement of the department's K9 Program. On June 27, 2016, PVPD received notice that the ACF grant committee awarded funds in the amount of \$4,585.00 for the program.
