SUMMARY BACKGROUND: Design for Bob Edwards Park, CIP # P252 was previously completed in 2008. The plans were shelved until sufficient Park Development Impact Fees were received to proceed with the project. On May 19, 2016, the Town Council approved a new professional services agreement with Civiltex Engineering, Inc. to update the design and provide some construction oversight services.

This new park will include a lighted natural turf athletic field, playground, walking path, ramada, restroom, trees and landscaping, modern irrigation control system, and asphalt pavement parking lot with lights. The Town will be purchasing under separate contract the athletic field lighting, prefabricated restroom, playground equipment, ramada, and benches.

An invitation to bid for construction was advertised for two consecutive Sundays, starting June 12, 2016, and bid submittals were due on Monday, July 18, 2016.

It is anticipated that construction will begin in August, and be completed this fall.
