SUMMARY/BACKGROUND: Included in the 2016-2017 fiscal year budget is the procurement of playground equipment for Fence Line Park, a neighborhood park in the Stoneridge development. This purchase will replace the current play structure that has exceeded its useful lifecycle and does not meet current operating standards.

On August 9, 2016 staff presented 9 ADA compliant playground cooperative purchase quotes to the Parks and Recreation Commission. A variety of traditional and non-traditional play element options serving youth between the ages of 2 and 12 were demonstrated. The Parks and Recreation Commission recommended option #1 from Triple M Recreation in the amount of \$18,000.00, inclusive of professional installation. This purchase is through a cooperative in accordance with Town Code §3-04-090.
