Dear Chief Jarrell:

The Governor's Office of Highway Safety (GOHS) has completed the review of the proposals submitted for funding for Federal Fiscal Year (FFY) 2017, which will become available on and after October 1, 2016. All of the proposals were carefully considered by an evaluation team at GOHS that reviewed agency performance, program priority area, problem identification, consistency of reporting, and available funding levels.

As a result of this evaluation process, we were able to include the referenced proposal(s) in **Arizona's FFY 2017 Highway Safety Plan**. However, please be aware that your highway safety project(s) may not have been funded at the amount that you requested and could potentially be subject to change, as we strive to continue to protect taxpayers' dollars.

All FFY 2017 grants will begin on October 1, 2016. If approval from your Town/City Council or Board of Supervisors is required, you should begin the process of scheduling the grant award for their approval in the near future.

The assigned GOHS project coordinator will be contacting you soon regarding your project(s) and you should have the contract(s) in your hands as soon as possible. **In the interim, do not make any public announcement concerning the grant and do not incur any costs or proceed with any portion of the project until GOHS has written a contract with your agency and it has been signed and executed by both parties.**

We appreciate the time and effort your agency committed to the preparation of the proposal(s). If any questions and/or concerns arise please feel free to contact your assigned grant project coordinator at 602-255-3216.

Sincerely,

Alberto C. Gutier  
Director, Governor's Office of Highway Safety
