Prescott Valley, AZ 86314

12 October 2009

Attn: Mr. Ray Smith, PE, Project Manager

Re: Bison Lane Multi Use Path Bid Tabulation CIP # S171  
Recommendation of Apparent Lowest Responsible Bidder

Dear Mr. Smith:

Civiltec Engineering has had the opportunity to review all 18 proposals received for the Bison Lane Multi Use Path project. The bid opening occurred at the Civic Center as scheduled on 8 October 2009. An attached summary spreadsheet of all 18 bid proposals is attached for your reference.

Markham Contracting is the apparent low bidder for both the Base Bid Schedule A and the Additive Alternate Bid No. One Schedule B. Markham Contracting appears to have an acceptable level of experience with this type of project. Markham Contracting is currently working on a street widening project for the Town of Prescott Valley and feedback is that they are doing an acceptable job from a quality control and construction schedule standpoint.

Therefore, Civiltec Engineering recommends that the Town of Prescott Valley award the construction contract for the Bison Lane Multi Use Path Project, CIP # S171 to Markham Contracting Company, Inc.

Sincerely,

CIVILTEC ENGINEERING, INC.
