SUMMARY/BACKGROUND: The Governor's Office of Highway Safety (GOHS) recently solicited DUI Task Force grant proposals to enhance impaired driving enforcement programs throughout Arizona for the 2010 Federal Fiscal Year. Through Council's approval, the Prescott Valley Police Department (PVPD) submitted an application to receive funding for a project which targets identifying and taking enforcement action on impaired drivers to reduce injuries and fatalities throughout Prescott Valley.

On November 19, 2009, PVPD received notification from GOHS of an approved grant award funding personnel services (overtime) and employee related expenses in the amount of \$16,860.70. Funds are specifically allocated for the purpose of conducting DUI related enforcement details which will assist the department in carrying out a comprehensive enforcement and public awareness program. PVPD believes the key to a long-term solution to the problem of errant drivers is education and will design activities to heighten the awareness of the public hazards of driving under the influence.

Acceptance of the Highway Safety Contract requires a certified Council Resolution authorizing entry into the contract with GOHS.
