To the Honorable Mayor and City Council of Prescott Valley:

This correspondence is in reference to the proposed Permanent Smoking Area at Barefoot Bob's Billiards, 8367 E. Pecos Dr. # 2 & 3. Providing a smoking area in a pool hall or bar is essential to the economic well being of the establishment. We intend to provide a secure area for smokers and it would be advantageous for them to be able to take their beverage with them to this area. Therefore, we are requesting that you to consider a permanent extension of the said area for smoking.

Respectfully,

A handwritten signature in black ink, appearing to read "Bob Soto". The signature is fluid and cursive, with the first name "Bob" and last name "Soto" clearly distinguishable.
