

**TOWN OF PRESCOTT VALLEY
REQUEST FOR COUNCIL ACTION**

Date: October 7, 2010

SUBJECT: Viewpoint Drive/Pronghorn Ranch Parkway 4-Way Stop Signs

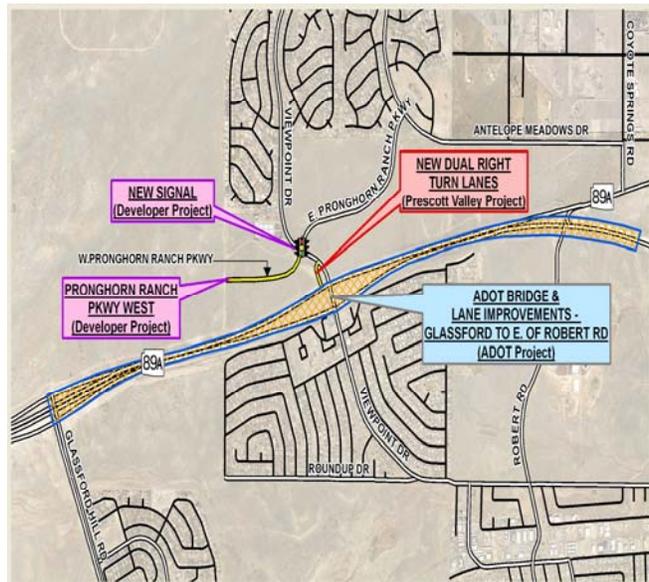

SUBMITTING DEPARTMENT: Public Works

PREPARED BY: Boyd Robertson – Deputy Public Works Director for
Norm Davis - Public Works Director

AGENDA LOCATION: Comments/Communications , Consent , Work/Study ,
New Business , Public Hearing , Second Reading

ATTACHMENTS: a) Lee Engineering – Traffic Signal Needs Study – Pronghorn Ranch Parkway at Viewpoint Drive (on file at the Town Clerk’s office)

SUMMARY/BACKGROUND: The intersection of Viewpoint Drive/Pronghorn Ranch Parkway currently has a stop condition for eastbound Pronghorn Pkwy. with movement through the Viewpoint Drive legs. Increased traffic count numbers have been observed which, along with the construction of the west leg of this intersection, necessitates additional review for the proposed change in traffic control for this intersection. An engineering study has been performed by a professional traffic engineer and the resulting recommendation from Lee Engineering can be taken to place a multi-way stop condition at this intersection as an interim measure until the installation of a signal is completed.

OPTION ANALYSIS: For Discussion Only.

ACTION OPTION: For Discussion Only.

RECOMMENDATION: For Discussion Only.

FISCAL ANALYSIS: There is no direct fiscal cost as a result of approving this recommendation.
