The project titled Prescott Valley Police Department Regional Interoperability/Narrowbanding Project has been **partially funded** under the STATE HOMELAND SECURITY GRANT PROGRAM for \$400,000.00. The grant performance period is **October 1, 2010 through September 30, 2011. Enclosed is a modified workbook that identifies approved funding elements.** This grant program is part of the U.S. Department of Homeland Security Grant Program and specifically is awarded under CFDA #97.067 (Catalog of Federal Domestic Assistance).

1. Go to www.azdohs.gov under Grants and download two original signed Subgrantee Agreements.

If your project requires an Environmental and Historic Preservation (EHP) review, this must be completed and approved prior to any expenditure of funds.

All projects that support training initiatives including FEMA approved/state sponsored training must be in compliance with grant guidance, the subgrantee agreement, and approved through the ADEM/AZDOHS training request process prior to execution of training contract.
