A. Briefly discuss why you are interested in this appointment:

*Having lived and participated in this community for 10 years, I have a desire and interest to oversee its development.*

B. Briefly describe your experience in general city or town planning, zoning and/or construction:

*I am a retired PAX fireman with 22 years of service by which we had to understand building construction for fire suppression. I was an apprentice carpenter as well. I watched PAX grow into districts of service as a 44 year citizen from 1955-1999*

C. Please list any additional information about your knowledge, skills or abilities which would assist the Town Council in the selection of members:

*I would like to believe that my many years of public service both in the fire dept. and as a minister for 14 years has given me the ability to mitigate, reason and formulate plan of action. As a minister I am also interested in the wellness of my community as a whole. I consider myself a minister to my church body and to my community.*

*A candidate for volunteer service must complete, sign and submit the standard Town Volunteer Application form prior to being considered. All prospective volunteers that are being considered for service shall submit to a criminal history background check and, if requested, a check of the applicant's driving record. The Town may, at its option, retain an outside vendor to conduct a background check of each applicant or require any or all applicants to submit a full set of fingerprints for the purpose of obtaining a state and federal criminal history of an applicant. Every offer extended to volunteers will be conditioned upon the successful completion of a background and/or fingerprint check.*
