PREPARED BY: Ryan Judy, Deputy Town Manager

AGENDA LOCATION: Comments/Communications , Consent , Work/Study ,
New Business , Public Hearing , Second Reading

ATTACHMENTS: a) Memorandum of Understanding with Yavapai Prescott Indian Tribe, and b) Secondary Agreements with Funded Agencies available from the Town Clerk's Office.

SUMMARY BACKGROUND: The Yavapai Prescott Indian Tribe signed a Tribal-State Gaming Compact with the State of Arizona on May 20, 2003. Section 12 of the Compact, entitled "Payment of Regulatory Costs; Tribal Contributions", allows the Tribe to make 12% of its total contributions required by Section 12(b) of the Compact to cities, towns or counties for government services that benefit the general public, including public safety, mitigation of impacts of gaming, or promotion of commerce and economic development.

The Yavapai Prescott Indian Tribe has occasionally approached the Town of Prescott Valley about entering into a Memorandum of Understanding (MOU) for allocation of some of these funds. Under the proposed MOU, the Town would act as a pass-through agency to allocate funding to the Prescott Valley Chamber of Commerce, Yavapai College Foundation, Yavapai Big Brothers Big Sisters, Junior Achievement of Arizona, and Prescott Meals-on-Wheels. Additionally, the Tribe proposes funding directly to the Town in the amount of approximately \$20,000 for purchase of Mobile Data Computers for police vehicles.

OPTIONS ANALYSIS: Council may approve the MOU and corresponding agreements, reject the MOU and corresponding agreements, or direct staff to make further modifications to the MOU and corresponding agreements before approval.

ACTION OPTION: Motion to approve the MOU with the Yavapai Prescott Indian Tribe and corresponding agreements, OR Motion not to approve the MOU with the Yavapai Prescott Indian Tribe.
VOTE

RECOMMENDATION: Staff recommends approval of this MOU and corresponding agreements.

FISCAL ANALYSIS: This will be a pass-through donation to the five agencies and will also provide direct funding to the Town for the purchase of Mobile Data Computers. The Yavapai-Prescott Indian Tribe will allocate funding to the Town and the Town will then pass that same amount through to the agencies within 20 days.
