SUMMARY BACKGROUND: The approved budget for this fiscal year and proposed for next fiscal year includes the Robert Road Improvement Project, Spouse Dr. to Tranquil Blvd, CIP #412B. Similar to past Robert Road widening improvements completed with the 1/3 cent Streets Improvement Fund, this phase will include construction of additional driving lanes, storm drain, sidewalk, and water line from Spouse Dr. to Tranquil Blvd. Engineering design services and construction period services are provided by Kirkham-Michael & Associates, Inc. Utility companies have been relocating their facilities since the summer of 2010 in preparation of the anticipated roadway widening improvements.

On February 7, 2011, bids for construction services were received as follows:

Table 1
