**ATTACHMENTS:** (1) Initial Agreement between the Town of Prescott Valley and Redflex Traffic Systems, Inc. (2) Letter to Redflex Traffic Systems.

---

**SUMMARY/BACKGROUND:** Currently the Town and Redflex Traffic Systems, Inc. (“Redflex”) have an agreement for photo speed and red light enforcement within Town limits. The term of the initial agreement was for a period of five (5) years, expiring on July 27, 2011. Pursuant to the terms of the initial agreement, the Town has the right, but not the obligation to extend the agreement for up to two (2) additional consecutive and automatic one-year periods following the expiration of the initial term.

In order to exercise the right to extend the agreement for the first one-year renewal period, the Town must provide written notice to Redflex not less than thirty (30) days prior to the last day of the initial term. (July 27, 2011). All other terms of the agreement remain unchanged in full force and effect as written in the initial agreement.

---

**OPTIONS ANALYSIS:** Council may approve the extension of the agreement for the first one-year renewal period or decline to approve the extension of the agreement.

---

**ACTION OPTION:** Motion to approve the extension of the agreement for the first one-year renewal period.

---

**RECOMMENDATION:** Staff recommends approval.

---

**FISCAL ANALYSIS:** There is no change to agreement regarding the financial structure of the agreement and it is anticipated that the one-year extension of the photo speed radar and red light enforcement system will continue to essentially be cost neutral.
