ATTACHMENTS: A) Draft Resolution No. 1758, B) TOPV Community Development Redistricting Report

SUMMARY/BACKGROUND: After each census, counties are required by federal law to re-draw supervisorial district boundaries to equalize district populations. Currently, Yavapai County is divided into 3 Board Supervisor Districts. Arizona State Law requires counties with a population of 175,000 or more to have 5 supervisorial districts.

Based upon public input and other considerations, the existing Board of Supervisors, by a majority vote, will select the new district map. The new map must be reviewed and accepted by the U.S. Department of Justice prior to implementation.

The Council previously discussed this issue at the work study meeting on June 16, 2011 and indicated a preference for Map A, or in the alternative, Map B. The attached resolution would formally declare the Town of Prescott Valley's preference.
