A. Briefly describe your interests in the following areas:

1. What are your reading interests?

My reading is very eclectic. In fiction, from mysteries to westerns to Sci-fi. In non-fiction, I tend to read about events and history with an occasional biography thrown in.

2. Do you have a library background?

I have volunteered in our library for two years and am currently working at the POP desk. My wife is a professional librarian and over the years has shared her various work experiences and knowledge with me.

3. What do you see as long-range improvements in the library?

Developing specific programs for the virtual reality room, which would lead to better utilization of the equipment. Promoting usage of the library's facilities to more outside community groups, e.g. OLLI one-day classes.

B. Briefly discuss why you are interested in membership on the Library Board of Trustees.

A library is an integral part of a community's attraction, education and growth. I believe I can be of service helping the library reaching those goals.

C. Please list any additional information about your knowledge, skills or abilities which would assist the Town Council in selection of members.

I have sat on and chaired a number of boards and/or councils; have spoken in front of and put on presentations before 6 to 250 people; led small discussion groups; taught training classes; traveled extensively in the USA, Europe and the Far East.
