**SUMMARY BACKGROUND:** The Yavapai County Flood Control District (YCFCD) levies a tax countywide for storm water management projects to improve storm water conveyance. The Town cooperates with YCFCD yearly through an Intergovernmental Agreement to design and construct storm water management projects that benefit the Town of Prescott Valley. One of the projects identified this year for funding is Phase 2 of the Western Blvd. area storm management improvements project. Design has been completed by Lyon Engineering and the project is ready for construction.

This request is for approval of the Intergovernmental Agreement with Yavapai County for \$600,000 of funding for Phase 2 of the Western Blvd. Storm Water Management Improvement Project.
