Re: Town of Prescott Valley, Western Blvd Stormwater Management Project Agreement (IGA)  
FY 11-12

Dear Mayor Skoog:

An Intergovernmental Agreement for FY 11-12 in the amount of \$600,000 has been approved by the Yavapai County Flood Control District Board of Directors during their regularly scheduled meeting on Tuesday, September 6<sup>th</sup>, 2011.

Historically, the Community IGA program has experienced large fund carry-overs due to incomplete projects. In response to this concern, the District has made a change to our program. We are asking the Communities to provide project timelines, phasing and cost estimates prior to project funding. Upon approval by the District Board, project specific IGAs will be written which will be good for the duration of the project with funding in future years subject to approval.

Attached are three originals of the IGA for your review. If the content of the IGA is acceptable, please sign all three originals and return them to the District. If you have concerns, please contact me at the District and we'll work to resolve the concerns. A fully executed original copy will be returned to you after it has been signed and recorded.

Should you have any questions, please contact me.

Sincerely,

YAVAPAI COUNTY FLOOD CONTROL DISTRICT

Charles A. Cave, P.E., CFM  
Flood Control District Director
