Was this public office Elected or Appointed?

Currently, I'm the Secretary/Treasurer of the
What was the office you held? StoneRidge HOA

What volunteer work have you done for the Town? _____

Up to now, none.

See Reverse

What experience do you feel qualifies you for the position of Councilmember?

I'm a graduate of the Prescott Valley Citizen's Academy. I've attended all of the General Plan Update 2025 Planning and Zoning meetings. I've established a healthy relationship with a number of the Town Staff for the purpose of helping my neighborhood solve some of its issues. I've been working diligently to help StoneRidge refinance its CFD debt.

What personal qualities do you feel you possess that would assist you as a member of the Prescott Valley Town Council?

I'm openly honest. I like to study a problem and research facts. I enjoy identifying the root cause of situations and providing logical solutions for problems. I build healthy relationships. I do not take myself too seriously; yet I can be very assertive and persuasive in promoting a cause I believe in. I like talking with people and enjoy listening to their concerns.

SUMMARY

Highly motivated, analytical and level-headed Service Center Manager with 22 years of experience in accounts receivable and accounts payable process management in the wholesale distribution supply chain industry. Especially skilled at listening, analyzing problems, developing and simplifying procedures, and finding innovative solutions. Uses a non-confrontational, fact-based communication style. Committed to the highest levels of honesty and personal excellence.

PROFESSIONAL EXPERIENCE

MANAGEMENT

- Administered the AR function for over 100 warehouses with combined annual sales of over \$900 million, representing 55% of the company total.
- Piloted the centralization of the AP function and managed an ever-growing AP group currently supporting 58 warehouses.
- Supervised 16 employees comprising two cost centers with an annual budget of over \$1 million; responsible for all operations of the physical site.

ACCOMPLISHMENTS

- Project lead for launching our company's conversion to an outsourced auditing and commercial carrier freight bill processing service. Introduced the use of this web-based system via webinars for over 200 warehouses.
- Championed the company's migration to paperless lockbox imaging systems for customer payment application with three large national banks.
- Promoted the implementation and rollout of remote check scanning as a replacement for local bank deposits by our warehouses.

ADDITIONAL AREAS OF EXPERTISE

- Observed over 30 acquisitions of companies within our industry, actively involved in assimilating their AR/AP systems into our processes and transitioning and training the newly acquired employees.
- Extensive knowledge of operational auditing practices, financial control points, and developing and documenting company policies and procedures.

RELATIONSHIP BUILDING AND COMMUNICATION

- Maintains a loyal work environment through open and honest communication.
- Able to explain complicated processes in the simplest of terms so they are easily understood by co-workers ranging from executive management to our warehouse associates.
