**SUMMARY/BACKGROUND:** The Governor's Office of Highway Safety (GOHS) is currently requesting submission of proposals for grants relating to highway safety issues from state, county, municipal, university, tribal and non-profit agencies for the 2013 Federal Fiscal Year (FFY) which commences on October 1, 2012 and ends on September 30, 2013.

GOHS funds highway safety projects utilizing Federal 402 (State and Community Highway Safety Grants), 410 (Alcohol Incentive), 408 (Information System Improvement) and 2010 (Motorcycle Safety) funding. The identified program areas for FFY2013 are:

- o Accident Investigation
- o Alcohol and Other Drugs
- o Emergency Medical Services
- o Occupant Protection
- o Pedestrian and Bicycle Safety
- o Police Traffic Services
- o Roadway Safety/Traffic Records
- o School Bus Safety

Over the past several years, grant awards from GOHS have provided the Prescott Valley Police Department (PVPD) with various equipment and supplies, overtime monies and multiple traffic enforcement vehicles. Without this funding, the PVPD is limited in its ability to provide concentrated off-duty enforcement activities related to highway safety throughout the year. The department is requesting Council's approval to submit an application for the FFY2013 GOHS Highway Safety Plan Grant Program. The proposal will focus on obtaining overtime funds, equipment, and supplies necessary to carry out objectives related to the priority enforcement areas of impaired driving, speed and police traffic services, and occupant protection within Prescott Valley. As part of the application requirements, a certified Council Resolution is to be included in the proposal.

---

**OPTIONS ANALYSIS:** Council may either approve the submittal of an application to GOHS for the FFY2013 Highway Safety Plan Grant Program through adoption of the grant application resolution, or decline to adopt the grant application resolution.

---

**RECOMMENDATION:** Staff recommends authorizing signature of Resolution No. 1786 approving the submittal of a grant application.

---

**FISCAL ANALYSIS:** There is no fiscal impact to the Town. This grant is fully reimbursable through the Governor's Office of Highway Safety.
