RE: TOWN OF PRESCOTT VALLEY
TOWN ENGINEER SERVICES PROPOSAL

Dear Mayor & Town Council:

DAVA & ASSOCIATES, INC. has provided the Town of Prescott Valley with Town Engineer/Planning Services since June of 1988. We believe that our professional services have been of the highest quality and that we remain responsive to the Town's needs. We provide flexibility and superior service in the Town's efforts to implement important projects for its citizens.

We look forward to continuing our long-lasting relationship and propose that our contract for engineering and planning services be renewed for an additional two years. Recognizing that tough economic times are still ahead, we will continue to use our enclosed fee schedule of the past several years. We believe our rates are competitive and provide value to the Town. Our proposal maintains our practice of billing the first ten (10) hours per month of Principal Engineer services at the discounted rate of \$60.00 per hour.

We are honored by the trust that Town Council has placed in Dava & Associates over the years and feel privileged to be part of the Town's vision. If you have any questions or wish to discuss any part of this proposal, please contact us at your convenience. Thank you.

Sincerely,

DAVA & ASSOCIATES, INC.

Gordon Bowers, P.E.
Civil Engineer
