**SUMMARY/BACKGROUND:** The Yavapai County Community Foundation (YCCF), an affiliate of the Arizona Community Foundation, supports a Law Enforcement Canine Fund. The scope of this fund is to exclusively benefit law enforcement organizations in Yavapai County that utilize canines for law enforcement purposes, including but not limited to, patrol tracking, locating illegal drugs, search and rescue, and locating cadavers. Each year, YCCF solicits requests for proposals to fund local canine programs. Funds are intended to support the acquisition, implementation and maintenance of canines; collaborative training and educational opportunities; and initial or specialty training for the canines and/or their handlers.

In March, the Prescott Valley Police Department (PVPD) submitted a grant proposal to support the enhancement of the department's K9 Program. On June 15<sup>th</sup>, PVPD received notice that the YCCF grant committee awarded funds in the amount of \$5,463.00 for the program. The department will use these funds to attend training, purchase canine maintenance and training supplies, and to replace vehicle deployment/heat alert systems in the K9 vehicles.
