Chief Bill Fessler
Town of Prescott Valley
7601 E. Civic Circle
Prescott Valley, AZ 86314

Dear Chief Fessler:

Pursuant to my telephone conversation today with Lieutenant Wayne Nelson I am hereby notifying you, by way of this letter, that I am terminating the Animal Sheltering Service Agreement between the Yavapai Humane Society and the Town of Prescott Valley effective August 28, 2012, ninety (90) days from today.

The reason for terminating this Agreement is to comply with the Town of Prescott Valley Attorney's assertion that such termination is required before the two parties can finalize a renegotiated a one year contract in the amount of \$58,500 scheduled to go into effect on July 1, 2012. Lt. Nelson and I had been working on this contract for several months.

This legal requirement, which I was notified of only today, will obviously delay enactment of the new contract. However, Lt. Nelson tells me the Town may still be able to have the renegotiated contract in place as soon as July 1, 2012. Please let me know what the Yavapai Humane Society can do to help expedite this process.

Sincerely,

Edward A. Boks
Executive Director
