1. Briefly describe your interests in the following areas:

A. What is your recreation and/or park background?

Nothing directly related to Commission experience, but I've always been involved in outdoor activities, whether it be a nice run on a nature trail or a BBQ at the local park. In short my background would be that of someone who frequently enjoys these amenities.

B. Do you have a special area of interest in recreation or parks?

My interest would be in nature trails and park landscaping

C. What do you see as long-range improvements for the Town in the area of parks

and recreation? Its development in Town/City growth and meeting the needs and interest of future generations to come.

2. Briefly discuss why you are interested in membership on the Parks and Recreation

Commission. *In going to be honest. I've always had a desire to participate in local government. And I felt parks and Recreation would best start this involvement.*

3. How did you gain knowledge of a position opening on the Commission?

I had the opportunity to talk with Harvey, Brian and Ryan ~~and~~ in a recent meeting. Through our discussion, I stated an interest for working for the city one day. Brian mentioned the opening for the position
