PROBLEM IDENTIFICATION AND RESOLUTION:**Agency Background:**

Prescott Valley Police Department (PVPD) consists of 60 sworn officers and 12 civilian personnel. Prescott Valley Police Department maintain a Patrol Section, Traffic Unit, Criminal Investigations Section, K9 Unit, SWAT Team, Animal Control Unit and other administrative and specialty units. PVPD support community policing and crime prevention programs, School Resource instruction, and a Volunteers in Policing program; including participation in the Partners Against Narcotics Trafficking (PANT) Task Force, the Northern Arizona Regional Training Academy (NARTA), and the Northern Arizona DUI Task Force. Also, Prescott Valley Police Department collaborates with many local organizations such as the MATForce Substance Abuse Coalition, Trauma Intervention Programs, Mothers Against Drunk Drivers (MADD), and Yavapai Family Advocacy Center.

The Town of Prescott Valley is located in Yavapai County and 85 miles north of Phoenix. It encompasses 37.7 square miles between the Mingus and Bradshaw Mountain ranges in the high-desert region of central Arizona. The current population is estimated at 38,822. Two major highways run through Prescott Valley; the State Route 69 spans 11.2 miles and State Route 89A covers 9.6 miles. These thoroughfares are the main corridors connecting Prescott Valley, Prescott, Chino Valley, Dewey-Humboldt and other unincorporated areas of Yavapai County. In 2007, average daily traffic counts were taken on each highway. It has been reported that 22,700 to 41,900 vehicles travel these roadways. In addition to the highways, PVPD is responsible for patrolling 260+ miles of town roadway. This includes many access roads connecting State Route 69 to State Route 89A. Glassford Hill Road, one of the main connectors, extends 3.59 miles. The average daily traffic count for this road in 2006 was 20,458. Growth within the Town of Prescott Valley area has increased the volume of traffic on these roadways; and has resulted in a change of the layout of the roads, including the addition of three traffic stoplights.

Agency Problem:

Prescott Valley Police Department proposal is requesting grant funding for DUI and Underage Alcohol enforcement overtime to participate in DUI and Underage Alcohol saturation patrols; and to participate in DUI Task Force Operations. The DUI task force is an exceptional enforcement strategy involving multiple police agencies working together to remove impaired drivers from Prescott Valley Police Department roadways during holiday periods and through the year. The Prescott Valley Police Department continues to implement enforcement that stems from impaired driving; and continue its contribution to the DUI task force, which promotes roadway safety throughout Prescott Valley. Additional funding for DUI and Underage Alcohol overtime is sought to conduct DUI and Underage Alcohol enforcement activities throughout the year.

A significant decrease in the number of alcohol-related injuries had occurred between 2009 and 2010; however, the number more than doubled in 2011 with alcohol-related fatalities remaining at one. The total number of DUI arrests from 2010 to 2011 have decreased by 17%; and the total number of DUI-Drug arrests decreased by 38%. This also shows a promising trend that continual education and enforcement efforts have been successful in our community. Underage drinking also continues to be of concern in the Town of Prescott Valley. While a slight decrease occurred in the overall number of underage alcohol violations between 2010 and 2011; the number of underage DUI arrests remained about the same. The Prescott Valley Police Department is dedicated to fostering a safe environment for all individuals traveling through the Town of Prescott Valley. Continuation of these efforts and implementation of new measures are necessary to maintain and improve PVPD officer and citizen safety in the Town of Prescott Valley.

Agency Attempts to Solve Problem:

Each year, Prescott Valley Police Department continues to participate in the statewide highway safety campaign led by the Governor's Office of Highway Safety. Previous grant funding has been utilized to enhance Prescott Valley Police Department's efforts in highway safety, underage drinking prevention, DUI enforcement, and public awareness and education. Prescott Valley Police Department participates in, and have hosted, multi-agency DUI checkpoints throughout Yavapai County. During DUI enforcement activities Prescott Valley Police Department have used marked and unmarked police vehicles, motorcycles, and other equipment to assist in DUI enforcement efforts. The Prescott Valley Police Department supports many public awareness and educational efforts within the community. Prescott Valley Police Department facilitates the "Every 15 Minutes" program, which includes the following campaigns within the Town of Prescott Valley:

- Advertising at the local Harkins Theatre
- Advertising with the Arizona Sundogs at the Tim's Toyota Event Center
- Advertise on the Entertainment District's video board on Highway 69
- Using pizza box toppers to advertise the "Draw the Line" program
- Issue press releases and public service announcements
- Attending local radio shows
- Using other printed media for program announcements

The Prescott Valley Police Department supports the efforts of MATForce, MADD, Drug Free Arizona, and the National Institute on Alcohol Abuse and Alcoholism. These efforts include Prescott Valley Police Department coordinating various activities throughout the year and distributing public awareness materials related to underage drinking and driving under the influence; in addition to, participation in monthly task force meetings, monthly Underage Drinking panels for juvenile offenders, and other youth forums within the neighboring jurisdictions. Every year, the Prescott Valley Police Department hosts a Citizens Police Academy in which detailed curriculum is proved to participants that include information on traffic laws and DUI laws, in addition to how they are addressed.

The Prescott Valley Police Department is dedicated to fostering a safe environment for all individuals traveling through the Town of Prescott Valley. All of these past efforts have been successful in helping to achieve objectives related to highway safety. Continuation of these efforts and implementation of new measures are necessary to maintain and improve PVPD officer and citizen safety in the Town of Prescott Valley.

Agency Funding:

Federal (402) funds will support Personnel Services (Overtime) and Employee Related Expenses to enhance DUI Enforcement throughout the Town of Prescott Valley.

How Agency Will Solve Problem With Funding:

Prescott Valley Police Department plans to utilize grant funding for DUI and Underage Alcohol overtime enforcement and education throughout the fiscal year, by participating in DUI Task Force details and DUI and Underage Alcohol saturation patrols. Also, the Prescott Valley Police Department will continue to monitor the DUI and Underage Alcohol enforcement program; and will continually report necessary DUI and Underage Alcohol statistical data to ensure accurate comparisons of DUI and Underage Alcohol arrests, citations, and warnings that are issued. Prescott Valley Police Department will continue to increase the public's awareness associated with the dangers of drinking and driving. Finally, through enforcement efforts and public contact, the overall goal of Prescott Valley Police Department is to educate the public and change

driving behaviors, in an effort to decrease DUI violations and vehicle related collisions. Prescott Valley Police Department objectives are as follows:

- Routinely deploy Prescott Valley Police Department Officers for special DUI, CUB and party details during high traffic times and holidays throughout the duration of the grant period.
- Increase efforts of a public education and awareness campaign at a local level to assist with statewide objectives for the reduction of traffic related accidents, fatalities, and violations.
- Increase utilization of various materials and supplies to assist with educational and awareness activities. Continue participation in various public events throughout the year for high visibility and constant reminders to the public.
- Maintain a certification of DRE's and DRE instructors within the Prescott Valley Police Department to strengthen investigations and assist with prosecution of DUI related offenses; in addition to remaining current with information, requirements and best practices for enforcement efforts.
- Publish at least two articles or editorials for local newspaper publication during the year.
- Produce at least two messages or programs for broadcasting on local television stations throughout the year.
