SUMMARY BACKGROUND: Historically, the Information Technology (IT) Department and the hardware of the Yavapai Library Network was located within Prescott Public Library. A portion of the Yavapai Library Network IT staff duties was to support the IT needs of Prescott Public Library. Consequently, the IT staff was paid by the City of Prescott. A percentage of the Yavapai Library Network IT salaries were reimbursed to the City of Prescott by the Yavapai Library Network. This past summer the Yavapai Library Network IT Staff and equipment permanently became part of Yavapai County. Hence, a Library Support Agreement – Yavapai Library Network replaces the Inter-Governmental Agreement with the City of Prescott.
